

Nominating Committee Report

The nominating committee shall consist of seven (7) members of the association elected at the annual meeting in the fall. The nominating committee might just be the most important committee of all, as we will guide the section with our proposed slates and recommendations of future boards and officers in the coming years

It is important that all nominating committee members attend all board meetings as this is the arena that we get to see members of the board in action; whether they are willing to voice their views and opinions, get involved and help continue to drive the Met PGA in a positive direction.

Board terms are 3 years and we would always strive to get an equal and fair representation of geographic, (Upstate, Westchester, Long Island, East end) and types of facilities (Public, Private) whenever possible. Again we are looking for members that want to get involved and are the best qualified for the positions available.

Involvement in the section affairs is very rewarding and fulfilling and we encourage every member to do their part in giving back and paying it forward. Please help the nominating committee identify these individuals that will continue to help steer the Metropolitan section in future years.

All the Best in 2017,

Nominating Committee
