

Custom Logoed Personal Protective Equipment Masks and Neck Gaiters

I have hit you all with a lot of emails lately but they are things that are here and now. Things that are now part of our everyday lives - Push Carts - Hand Sanitizers and now Custom Logoed PPE Masks and Neck Gaiters. I am trying to get you products that are useful in these very horrific times

PPE Face Masks and Neck Gaiters are now part of our everyday lives and in a lot of cases becoming required more and more.

I am sure that once things do open up we will still be wearing them for a long time. You will be wearing them, your employees will be wearing them, wait staff, range, maintenance staff and the list goes on and on.

So why not show your club pride.

A company that I deal with custom prints the fabric and then builds them.

- Lead time is about 2 weeks
- There are 3 types - Over the Head - Behind the Ear - Neck Gaiter
- Come in 2 sizes - S/M and L/XL

Minimum is 60 per style - and you can actually 2 different color combinations
Over the Head and Behind the Ear are \$12.00 each
Neck Gaiters are \$15.00each

I have attached some artwork examples to see what they look like.

I have also attached a sell sheet that gives you a little more info.

Please don't hesitate to contact me with any questions.

Also if you want me to get some artwork made up just let me know.

I truly wish that I wasn't selling a product like this but why not do something Cool and Different
