Fall Meeting Will Provide an Opportunity to Salute our Charitable Leaders

Our charitable efforts continue to grow, both in the ability to raise funds for worthwhile causes and to provide meaningful programming under the PGA REACH umbrella. We will dedicate some time at our upcoming Fall Meeting to recognize those who have excelled along with everyone who has made a difference. Thanks to so many of you, we continue to provide outstanding Junior Golf programming and First Tee commitments (thus far Garden City Golf Club leads all fund-raisers with almost \$20,000.00 in contributions), raise money for Folds of Honor (how about Ray Ford and Rolling Hills with a projected \$200,000.00 plus in funds realized at their August event) and now have raised our bar with an incredible program for veterans with the Met PGA HOPE initiative ([click here](#) to read about the program on Long Island that Kelli Clayton, Jonathan Gold, and Paul Glut have helped inaugurate). We will have a more complete report at the Fall Meeting but wanted to offer our sincere appreciation to the special clubs for their incredible support of Junior Golf and/or Patriot Golf Day.

The Mitch Pro-Am Rescheduled for Oct. 21st at Tamarack CC Four Apprentices Receive William A. Mitchell Scholarship Fund Assistance

Innis Arden Golf Club unfortunately began renovations to their course right after the last scheduled date for The Mitch. How are You with the Rules?

PGA Professionals are generally expected to be the Rules experts at their club or course but more often than not, they are not prepared for that role and the stress of issues that arise at their course in events. There may be no better investment in the business than attending a PGA/USGA Rules Workshop. Check out the 2016 schedule that we will post in upcoming Newsletters.
