

# A MESSAGE FROM KATHY COLWELL

Dear Friends,

I hope that you and your family are safe and well.

During these unprecedented times, Levelwear is committed to supporting our local community, staff and customers with a solution for non-medical grade face covers. On April 9, 2020 Levelwear began production of 2-ply washable non-surgical face covers repurposed from cloth garments. These face covers are donated to local businesses within the Greater Toronto Area. To date – Levelwear has donated 20,000 cotton face covers and is continuing production of these repurposed face covers.

Levelwear is now offering 3 face cover options for sale to the public. Levelwear will donate 10% of every sale to **PGA of America Golf Emergency Relief Fund**. Please click on the link below to purchase these face covers. Help protect each other and support our community at this crucial time.

Note: Using the link above will automatically fill out the referral code in the checkout page. Alternatively, please use the code **04M847** in the Gift Card/Discount Code at checkout to ensure that the donation is captured.

We are stronger in numbers when we all work together.

Thank you and stay safe,  
Kathy
