

The Country Club of Darien is seeking an entry level, Assistant Golf Professional, interested in becoming PGA or LPGA approved to oversee the day-to-day operations of the golf shop. This opportunity will provide a great pathway for personal and professional growth within the MET Section. This position will assist with the management of daily golf operations including inventory management, inventory control, merchandising, daily opening and closing procedures, assisting in Junior Golf, tournament operations, club repair, club fitting and other professional services as appropriate.

This person will be an active ambassador of the Country Club of Darien experience and will be expected to interact professionally with the membership and staff at all times. You can also expect to play with member groups frequently to provide the best experience possible to our members and guests.

Compensation is commensurate with experience. The position will begin on March 1st 2021, and length of season is negotiable.

Additional compensation available through the following programs and opportunities:

- Non-Member Tournaments
- Junior Golf Programs
- Club Repair/ Re-gripping
- Club Fitting
- Section Tournaments

Position Benefits:

- Housing Available
- Health Insurance
- PGA Education/ Dues Expenses
- Clothing Allowance
- Playing and Practicing Privileges

If you are interested, please send your cover letter and resume to Cory Muller.
