Mobile Phone	914-924-3655
Position(s) I am interested in running for:	Treasurer Secretary

Please write a brief statement regarding what your impact would be if elected to the position. (Treasurer Jr. Golf / Fundraising) (Secretary Club Relations / Thank Yous)

I would like to continue to bridge the gap between the Assistant's Association and the country clubs that are kind enough to allow us to use their facilities. Possibly looking into incorporating some sort of positive social media campaign to advertise our presence at these facilities to the public so we can provide some form of value to them (Ex. electronic thank yous, Instagram, Twitter, etc.).

I would like to collaborate with local elementary, middle and high schools to offer golf clinics, either free or at a nominal charge, and in addition making them aware of the various junior golf programs offered by the Met PGA. At my own club I'd like to raise funds for junior golf by running a golf marathon.
