Position(s) I am interested in running for: Treasurer
Secretary

Please write a brief statement regarding what your impact would be if elected to the position. (Treasurer Jr. Golf / Fundraising) (Secretary Club Relations / Thank You)

I wish to become elected as your next Treasurer or Secretary, because I am confident I can continue the level of service expected as a board member. It is an honor to apply and it would be a privilege to improve on those who have stood on the board before me. I have been in the section for 10 years and I am proud and aware of the importance of standing on the board. I promise to help improve each positions responsibilities and act of the feedback from my peers.

As treasurer I believe I can help junior golf. Junior golf is referred to as the future and my focus would be to encourage all assistants to be involved in it. PGA junior league in my opinion should be at every club by the end of the season. This program doesn't just provide juniors another activity, its a platform to make better golfers in a fun way. Whether you are an intern or teaching professional none of us are above junior golf. As treasurer I plan on embracing instruction and junior golf for maximum involvement. The fundraising part is for us the Assistant Professional's.

As Secretary I believe as I have stated before that I wish to provide either a paperless post thank you to show our gratitude, rather than writing out a thank you prior to playing. A thank you should be sincere and we should know why we are thanking the clubs senior staff. Having time to reflect and an alternative could provide a more gracious response and could in turn allow us on courses of higher profile.

I appreciate your time in reading my application.

Regards
